November 7-8, 2008 | Montréal, Québec

2nd International Congress on

Early Onset Scoliosis & Growing Spine

ICEOS

Attendance

Over 130 surgeons from over 12 countries will attend this course. This includes surgeons from Australia, Belgium, Brazil, Egypt, France, Germany, Ireland, Italy, Japan, Jordan, Mexico, New Zealand, Poland, Switzerland, Turkey and many other countries!

Seating

The General Session and workshop rooms will be very full! We ask that corporate attendees allow surgeons to be seated first.

November 7-8, 2008 | Montréal, Québec

2nd International Congress on

Early Onset Scoliosis & Growing Spine

ICEOS

Purpose

This program is for educational and scientific purposes only. Any discussions of a product will be objective, balanced, and scientifically rigorous.

Off-Label Uses (United States)

Some drugs and medical devices demonstrated during this course have limited FDA labeling and marketing clearance. It is the responsibility of the physician to be aware of drug or device FDA labeling and marketing status.
